Speaker Application

The **National Women's Show** offers exhibitors the exclusive opportunity of speaking on our WorkShop Stage or Health & Wellness Stage. Please note, presentations should not be commercial sales pitches on specific products/services but should be of a generic nature ie healthy eating habits rather than a particular diet plan. Schedules will be listed on the website, printed in the show guide and on the daily signs.

Seating - there will be seating for approximately 50 people.

Schedule - because of high demand, exhibitors are restricted to one 30 minute presentation.

AV Equipment - A microphone will be available along with an LCD Projector and screen if requested. Speakers must provide their own laptop computer for PowerPoint presentations.
