## Speaker Application

The **National Women's Show** offers exhibitors the exclusive opportunity to speak on our WorkShop, Cooking or Health & Wellness stage. Please note, presentations should not be "commercial sales pitches" on specific products/services but should be of a generic nature ie healthy eating habits rather than a particular diet plan. Schedules will be printed in the show guide.

**Seating** - there will be seating for approximately 85 people.

**Schedule** - because of high demand, exhibitors are restricted to one 30 minute presentation.

**AV Equipment** - A microphone will available. An LCD Projector and screen are available if requested. Speakers must provide their own laptop computer.
